

Village of Rock Springs

PO Box 26, Rock Springs, WI 53961

www.rockspringswi.com T: (608)522-5700 C: (608)963-8082

Office Hours: Tues 7 AM to 3 PM & Thurs 7:30 AM to 4:30 PM

Fluoride Update

The Village Board decided at the April board meeting to discontinue fluoride from the Village water system. The Fluoride pump is currently not working properly. The pump will not be repaired or replaced at this time. If you have questions or concerns, please call the Village Office.

COVID-19 Updates

The Village Office will remain “By Appointment Only”. The office will re-open as soon as Governor Evers removes or revises his restrictions. As of right now, Safer At Home is in place until May 26, 2020. The Village Clerk is working from home and can be reached at any time by calling 608-963-8082 or by e-mail at villageofrocksprings@gmail.com. Water/Sewer bills can be paid the following ways: online, ACH, mail, or drop box at the Rock N Stop.

The Village Board is still conducting meetings via the GoToMeeting platform. This allows for residents to either join the meeting online or by phone. All login details will be attached to the agenda. You can find the agenda in the following locations: Village Office Door, Rock N Stop bulletin board, and online at www.rockspringswi.com. If you would like to know when an agenda is posted, we encourage you to “Subscribe to Updates” on the Village Website.

Flood Recovery

We have had a lot of questions regarding the HMGP Buy Out Program. Unfortunately, we do not have a timeframe on the buy out program yet. We are told it is in FEMA’s hands right now and the State is waiting for them to finish reviewing the application. As soon as the Village receives information, we will share it with those affected.

The New Community Center is also slowly progressing. We are waiting on FEMA to tell us buyout amounts on the old community center. The Village cannot progress to far without this commitment from FEMA.

Upcoming Village Events
