## September Water/Sewer Bills

Some Water/Sewer readings were unable to be read this month due to an equipment malfunction with our meter reader. The Village is in the process of updating the equipment to fix this issue. If your bill was estimated, you will see an "EST" next to the present water/sewer reading. When estimating a Utility bill, it takes the past three months' worth of readings and estimates the current read. When the meters are read again, with the updated equipment, the bill will adjust accordingly. It should have little effect on most Utility bills. If you have any questions, please feel free to reach out to the Village Office.

## Sign Up for ACH Payments – NO FEES ATTACHED!

Sign up for ACH payments! This payment option is FREE of charge to all Village Residents! This option is available for paying your monthly water/sewer bill. An ACH payment will allow your payment to be pulled directly out of your checking or savings account each month on the due date. You will still receive a bill every month stating the amount that will be pulled via ACH and the day it will be pulled. This service is offered free to the Village through Baraboo State Bank, not the Payment Service Network which requires a fee.
