## *Friendly reminder on our Weed & Grass Ordinance*

### Ordinance Regarding Weeds & Grass

10.06 WEED CONTROL (1) NOXIOUS WEEDS AND RANK GROWTH PROHIBITED. No owner or occupant or any lot or parcel shall allow such property to become overgrown with any weeds or grass so as to constitute a public nuisance as defined in Section 4.05(8) of this chapter.

(4) ENFORCEMENT. If a property owner fails to control the growth of vegetation on his property, the Weed Commissioner shall provide the property owner with written notice as to this fact. The notice shall be mailed by first class mail, postage prepaid, to the address of the property owner as shown on the Village tax rolls. If such owner fails to abate this nuisance within six (6) days after the date of mailing of the notice, the Weed Commissioner shall take action to abate such public nuisance.

(5) COSTS. If the Village causes a nuisance to be removed as provided above, the actual cost thereof, together with an administrative fee equal to ten percent (10%) of the actual cost, shall be charged to the property owner. If such charges are not paid by November 15th of the year in which they are billed, such charges, together with an additional administrative fee for collection equal to ten percent (10%) of the total of such charges and fees, shall be extended on the next succeeding tax roll as a tax charged against the property affected and collected in the same manner as are other taxes, pursuant to Wis. Stat. § 66.98

## **Would you like your bill emailed to you?**

Contact the Clerk and get signed up. Please send your email address to [clerk-treasurer@rockspringswi.gov](mailto:clerk-treasurer@rockspringswi.gov) or call the Village office at (608)522-5700.

## **Sign up for ACH Payments – no fees attached!**

Sign up for ACH payments! This payment option is FREE of charge to all Village Residents! This option is available for paying your monthly water/sewer bill. An ACH payment will allow your payment to be pulled directly out of your checking or savings account each month on the due date.

**Disposable wipes** — used for changing diapers, personal hygiene, housecleaning, and more — cause major problems when flushed down toilets. Because they don't break down the way toilet paper does, these wipes clog homeowner and municipal sewer pipes, put stress on community wastewater collection and treatment

equipment, and cause municipalities to spend thousands on premature equipment repair and replacement. Wipes snag on any imperfection in sewer pipes, catch passing debris and grease, and create a "ball" that will grow to plug the pipe. They also get drawn into sewer-line and wastewater treatment plant pumps and clog and damage them. Municipalities must manually clear out pumps or remove clogs. Although many brands of disposable wipes are labeled "flushable," don't flush them! The clogs and backups they cause may result in expensive plumbing bills for your home, or increased wastewater fees from the utility.

### Metal Dumpster

The Village of Rock Springs now has a metal dumpster in place for residents to get rid of metal items. Because the dumpster is accessed through private property, we are taking a list of names of residents looking to dispose of metal. The following consist of what can be placed in the dumpster.

- Iron and iron alloys
- Steel and stainless steel
- Copper
- Nickel
- Titanium
- Tin
- Aluminum

Please contact the Village Clerk to be added to the list.

### Brush Drop Off Site

The Village of Rock Springs is excited to offer our residents a place to dispose of brush and leaves. Because the dumpsite is accessed through private property, we are taking a list of names of residents looking to dispose of brush. Please contact the Village Clerk for more details.
